Hello Neighbors,

Recently, 9/21/21, QPM sent out a newsletter providing a lot of information about the HOA. There's no need to add more input at this time since the purpose is to keep property owners informed. Hopefully this will become a routine event.

Two items not on the email. The TAC/ZOOM meeting will likely be held Wednesday, October 20 at 5:00. If you are interested you need to contact them and get the code to participate. Secondly, QPM says there will be an HOA Board meeting this month in which all homeowners are invited. Hopefully more details will be forthcoming since our Budget is being prepared this month for 2022.

A side note, a small crew of 5 homeowners spent yesterday morning continuing to clear dead wood and blackberries from the hedge around the pond at the Park.

Good progress was made and about 2 1/2 cubic yards of debris were removed.

Thanks for contributing to the health and attractiveness of BVH! At least one more, and maybe two cleanups will be organized before spring. Everyone is invited.

Sincerely,  
Dana Henderson
